

# Christchurch & Canterbury

Part day tours

# Introduction to Christchurch and Canterbury

Christchurch is New Zealand's second largest city and the gateway to the magnificent South Island, with Christchurch International Airport located just 10 kilometres or 15 minutes' drive to the city centre. International and domestic flights are regular, easily connecting visitors to Asia-Pacific and beyond. Travel around the Canterbury region is easy with numerous transport options available.

Discover New Zealand's future-focused city in the heart of the beautiful South Island. Small and smart, Christchurch is the perfect destination for partners to explore, all in a safe, stylish and accessible environment. Set amongst the beautiful Avon River and numerous green spaces, Christchurch city enjoys a mix of stunning restored heritage venues and stylish new architecture, creating a vibrant city experience.

Journey a short distance out of Christchurch and you will find lush vineyards, alpine hot pools, snowy peaks, and coastal playgrounds. Regional destinations include the thermal resort of Hanmer Springs, the natural coastal wonder of Kaikoura, the winter resort of Methven and Mt Hutt ski field, and the stunning high-country environment of the Mt Cook Mackenzie region.

The following options are suggestions only, there are a multitude of packages which can be compiled to suit your group.

# Part day tours in and around Christchurch
